Dear Parents,

Thank you for inquiring about the Chabad Hebrew School. Enclosed please find a registration package for the 2010-2011 School Year, which includes a program sheet, fact sheet with detailed information about the Hebrew School and a registration application.

Please read this package carefully. Send in the application forms and we will call you to arrange an interview. If you have any questions or if you need any special arrangements, please feel free to call me.

At Chabad Hebrew School, we firmly believe that your child's first taste of Jewish learning should be fun, upbeat, and interesting. Now approaching our seventh school year, we see that our students really enjoy coming to school and they don't want to miss a day. Perhaps this is due to our commitment to making each day exciting and each lesson relevant and interesting. It is also our "hands-on" learning style that allows the children to experience living Judaism. We are thrilled that the children are happy to come and learn.

With the upcoming 2010-2011 school year we are implementing a lot of new and exciting programs, in addition to the ongoing events and activities that we've had in the past, including holidays programs, newsletters, and arts and crafts. Plus, we are using the cutting edge Hebrew reading program called "Aleph Champ", color coded and modeled after karate, designed to teach kids to read Hebrew at their own pace in a clear and organized fashion.

We are also continuing our Bar/Bat Mitzvah class, which includes special curriculum and programming for the children that will be Bar/Bat Mitzvah during the coming year.

At Chabad Hebrew School, families of all backgrounds and affiliations are made to feel welcome. Tuition is affordable and synagogue membership is not required. Families are welcome to attend services at the Chabad Synagogue and may become members when and if they wish.

Wishing you a happy and healthy summer. May you have true *Yiddisheh Nachas* from your children and loved ones!

Sincerely yours,

Dvora Green

Director, Chabad Hebrew School
